

ACI FLATWORK TECHNICIAN & FINISHER CERTIFICATION APPLICATION FOR REGISTRATION

The Maryland Ready Mix Concrete Association (MRMCA), as the Local Sponsoring Group for the Maryland Chapter of the American Concrete Institute, is pleased to announce their **FLATWORK TECHNICIAN & FLATWORK FINISHER CERTIFICATION** Program. This program includes a half-day refresher course and a written examination; therefore all applicants are encouraged to self-study the workbook. The workbook is included in the registration.

•**Technician**• Certifications will be awarded to those who achieve the required written examination score (no field experience required). •**Finisher**• Certifications will be awarded to those who achieve the required written examination score *and* submit the appropriate work experience affidavits verifying work experience. (4500 hours).

As outlined in the workbook, this program requires knowledge in the following areas of concrete construction:

- | | |
|---|---|
| 1) Basic concrete technology | 4) Proper use of finishing tools |
| 2) Concrete materials and mix proportioning | 5) Placing, consolidation, and finishing |
| 3) Concrete control tests | 6) Edging, jointing, curing, and protection |
