Promotion Update - MRMCA Promotion Committee Members Outreach

Once again, the concrete industry is taking strides to promote ready mix concrete in Maryland!

2012 budgets and plans have been approved and now your help is needed.

The MRMCA and the Promotion Council is looking for people to participate in one or more of our three Promotion Committees (Paving, Commercial or Residential). Promotion Plans for each committee were attached to an earlier email or can also be requested from Mindy via email.

All three committees are scheduled to meet in January 2012 (see dates and locations below) to kick off the year with discussions of our mission and our specific plan of action.

The Committees will meet only as needed after these kick-off meetings so please do your best to attend or have a representative attend in January.

Tuesday, January 10	Commercial
Tuesday, January 24	Residential
Wednesday, January 25	Paving

All Committees will meet at 7:30am at The Bob Evans Restaurant located at 4900 Beaver Run Ct., Ellicott City, MD 21043 (breakfast included!)

If you are already active on a committee, we want you there. If you are new to the industry, we want you there. If you are even the slightest bit interested in gaining market share, we want you there.

If your schedule does not allow you to attend but you are still interested, please let us know and we will keep you posted as to the progress of the committee's efforts.

Please RSVP by January 6, 2012 by sending an email to Mindy@MarylandConcrete.com.

Thank you & Happy New Year!
