Promotion Awards Banquet

Are you tired of all the negative news and talk in our industry? Are you searching for a way to focus on the positive and motivate your employees? Some MRMCA members in your Maryland Ready Mix Concrete Promotion Council are really making things happen! Words like "Passion" and "Persistence" best describe these top Concrete Promoters.

Plan to join the Concrete Promotion Council on Friday, October 21, 2011 in Baltimore, as we recognize and celebrate the achievements of our colleagues during the 2011 Concrete Promotion Awards Banquet.

Several deserving industry representatives will be presented with the "Heavy Hitter" Award for their successful promotion efforts. Everyone who attends will be entertained, encouraged and motivated. Spouses are welcome and attendees may consider one of the many near by hotels for an overnight stay in the City.

The Concrete Promotion Awards Banquet will be a great opportunity to:

- Recognize members who are really making things happen in Maryland
- Celebrate your Association's recent concrete promotion successes
- Rally and motivate the people who are the face of our industry
- Reward your employees with a fun and exciting evening event
- Socialize and network with other industry partners

The Spring Conference in Cambridge mainly draws management personnel. The Concrete Promotion Awards Banquet seeks to draw those same managers plus other sales, marketing and technical employees, from our member companies. Help bring more and different people into the promotion arena because it will certainly benefit your company and our industry!

Below is a registration form link. Please consider who you want to participate in this energy packed event and sign them up now!
